Organizing an all-day field trip using a rented van

Saturdays are good for folks who work during the week

Weekdays might be worth trying, partly cause Charles Lewis at Ethos in Portland where we want to go normally has weekends off (but willing to meet us there)

Maybe a Friday would be best

Want Cindy to pick a date that she can actually attend this one

Try for an organic, locally grown restaurant (ask Denise and ask Charles)

Papa G's is one possibility (Denise has been there multiple times)

Organizing local field trips (hiking, kayaking, other)

Future E-J Team meetings

March 2nd - first Wednesday (normal day of month)

April 11th – first MONDAY (can't meet any night the first week due to church rummage sale being set up, and there's conflicts the second Wednesday and Thursday)
